

**SPEAKER WITHEM:** Senator Kristensen.

**SENATOR KRISTENSEN:** Thank you. Senator Wesely, there, to the best of my knowledge, will not be a loss of revenue to the State of Nebraska because we are shifting the creation of a business entity. In other words, as near as Revenue could determine for us, there would not be a loss in state revenue to do this. In fact, you probably will have more people forming these and coming in to do it. It is a matter of all the surrounding states have limited liability companies. We had that discussion a year ago when we passed limited liability company. They have had a year to look at it, and we have not noticed that it has had any impact on the flow of the revenue to the state.

**SENATOR WESELY:** Okay, thank you.

**SPEAKER WITHEM:** Thank you, Senator Wesely. Further discussion? Senator Kristensen, waives closing. The question is the adoption of AM3422. All in favor vote aye, opposed vote nay. Record.

**CLERK:** 31 ayes, 0 nays, Mr. President, on adoption of Senator Kristensen's amendment.

**SPEAKER WITHEM:** The Kristensen amendment is adopted. Anything further on the bill?

**CLERK:** Nothing further, Mr. President.

**SPEAKER WITHEM:** Senator McKenzie.

**SENATOR MCKENZIE:** Mr. Speaker, I would move LB 884 be advanced to E & R Final.

**SPEAKER WITHEM:** The question is the advancement of LB 884 to E & R Final. I see no lights on. We will proceed to vote. All in favor vote aye. Opposed. It is advanced. LB 979.

**CLERK:** LB 979, Mr. President, I have E & R amendments pending.

**SPEAKER WITHEM:** Senator McKenzie.

**SENATOR MCKENZIE:** Mr. Speaker, I would move LB 979.
